Milestones of Nine Mile

Swansea Surf Life Saving Club

founded 1927-28 season:

Green, cream and gold colours adopted

First Executive

President - Joe Charlton; Secretary - Harold Hall;
Treasurer - Frank Marshall; Club Captain - Jack
Chapman; Chief Instructor - Ernie Heath

1928-29

Boat crew awarded Certificate of Bravery from the
Royal Humane and Shipwreck Society for a rescue on
the treacherous Swansea Channel bar

1931-32

First Australian Championship won by the club
- senior boat championship at Bondi

1935

Crisis period - no funds and very few members

1936

Joe Charlton elected as the club's first Life Member

1942

15th February - prominent member Matt Roach
- Alf - killed at fall of Singapore

1946

Tom Humphreys' innovative 'tuck stern' surf boat
launched. In the same year, fire destroys dance hall
and club shed

1947 - 15th September

Named changed to Swansea-Belmont Surf Life Saving
Club

1949-50

Major double - Australian Senior and Junior Boat
Championships at Coolangatta, Qld, resulting in
aggregate point score success

Late '40'

Major rebuilding program for clubhouse facilities

1950

Ernie Heath elected Life Member, National Council,
SLSA of Australia

1954, 1955

Alan Patterson appointed Manager of NSW
Representative Team

1955

Maitland flood rescue work

1960

Alan Patterson elected Life Member, National Council,
SLSA of Australia

1960-61 to 1962-63

Winners of three successive Newcastle Branch 'BP'
competitions

1964

Original 'Little Nippers' led the march past at the
club's annual carnival

1964

Hosted New South Wales Championships

Early '70's

Building of new, modern clubhouse

1972

Hosted Australian Championships

1973

Bruce Laughton, Clyde Freeman awarded SLSA
Meritorious Awards; in the same season, Cliff Marsh
coaches NSW Representative Team

1974

Cliff Marsh selected in Australian Team to World
Congress, South Africa

1970's

Community Education programs were at their peak
- Pool Survival, School Lecturing, Simulated Shark
Attacks, etc - all of this followed the Learn-to-Swim
campaigns of the 1960's

1977

Won Australian Open Surf Teams Championship -
Bancoora, Vic

1980

Hosted New South Wales Championships

1981

Cliff Marsh appointed Coach of the Australian Team
to tour USA

1984

Cliff Marsh elected Life Member, National Council,
SLSA of Australia

1980's

Increasing number of Swansea-Belmont members
selected in representative teams; ongoing building
projects, including renovations and additions;

outstanding progress of the junior activities section of the club; revival of 'Cross-Lake Swim', Coal Point to Belmont

1988

First Place - overall point score - New South Wales Championships (venue: North Curl Curl) – a 'first' for a club from outside the metropolitan area

1990

Hosted New South Wales Championships

1990

Melissa Thurlow selected to represent Australia in Japan and West Germany

1992

Sean Davis represents Australia against South Africa

1994

Hosted Australian Championships - four gold medals a fitting result at these highly successful championships - 4th place in the overall point score; won Association R&R Premiership

1996

Hosted New South Wales Junior Championships

Late '90's

club instructors busy putting record numbers of candidates through for various awards

1999

Ken Murray elected Life Member, National Council, SLISA of Australia. In the same season, the Open Boat crew selected to represent Australia

2002, 2003

Hosted New South Wales Championships - second in '02, first in '03

2003

Led Australian Championship overall point score at Kurrawa, Qld, until the last two events of the carnival, ultimately finishing second - a wonderful achievement!

2008, 2009, 2010

Host Club for the New South Wales Championships

2010

Jeff Mowbray elected Life Member Surf Life Saving NSW

Mid-2000's to present

ongoing building renovation projects

2012

Training Room & Kitchen renovation completed

2012

Hosted NSW State Endurance Champs

2012/13

Record points winning Hunter Branch Championships

2012/13

Special Needs Nippers commenced with outstanding response

2013

Club celebrated 85 years with a wonderful luncheon

2015

Arch Salaris Life Member Hunter Surf Life Saving

2015

Chris Paul Life Member NSW Surf Life Saving

2016

Inaugural Nine Mile Ocean Classic Swim – April 2016

2017/18

NSW State Championships return to Swansea Belmont 2017/18

90years Anniversary

2018/19

NSW State Championships return to Swansea Belmont 2018/19

2019

Ashby Allen, Ben Rees, Josh Murphy and Matt Rees selected in the Australian Ocean Ski racing Team;

Ashby Allen selected in the U16 Kayak Australian Team;

Dan Chisholm selected in the NSW Youth Pathway Team; and

Kye Taylor selected in the SLS Australian Youth Team.

Robert "Babe" Heaney

Passed away in Old Wallsend Hospital, his place of birth some 82 years ago.

"Babe" was an all-round good bloke, fierce rugby league front rower "Up the Tigers" early morning swimmer, pool swimmer, champion food eater, push bike gliding champ, Swansea-Belmont Veteran Rower. Sadly missed by oldies who knew him.

VALE – Robert Heaney

Peter McGregor

Peter joined Swansea-Belmont SLSC when he brought his young family to live in the local area, having already been an established member of Cooks Hill SLSC. His two older boys, Nat and Ben, joined the ranks of our juniors, followed several years afterwards by Tom. Peter quickly involved himself in the administrative functions of the club, serving one year as Secretary before a long stint as our extremely competent Treasurer. For his service to the club he was elevated to Life Membership in 2001.

VALE – Peter McGregor

Chris Robinson

Joining the club in the 1980's, 'Robbo' brought to Swansea-Belmont heaps of keenness and enthusiasm. Always with a keen interest in the social side of the club, 'Robbo' was prepared to work behind any barbecue or bar. He was always on hand when there was heavy lifting to be done, particularly around the time of our major championship carnivals. Chris also served a stint as Treasurer of the Junior Club.

VALE – Chris Robinson

Kevin Aspley

Following the gaining of the Bronze Medallion in the late 50's Kevin became a prominent member of our club.

As a reliable patrolman and a competent Patrol Captain he served Swansea Belmont faithfully.

He had an infectious sense of humour, loved a beer with his mates and was a good committeeman in his time.

His son Jamie keeps the Aspley name alive in our club.

VALE – Kevin Aspley

President's Report 2018-2019

President Graham Burge

It is with immense pleasure that I present my 5th Annual Report for the 2018/2019 surf season on behalf of Swansea Belmont SLSC. I must thank our Club Directors & Management team for their dedicated voluntary hours throughout the season especially Katrina for your commitment to ensuring everything is completed on time. Your Management team continue to set sustainable goals, whilst getting closer to finalising others throughout the next 12 months with upgraded renovations planned. The positive direction in Patrols, Training and Education, Competition, Finance and Administration will ensure we have set the club up for future sustainable success in Surf Life Saving and support of the local community.

With another season of volunteer Beach Patrols completed & keeping our club breach free along with no lives lost whilst the red & yellow flags were flying is very satisfying, it's an opportune time to reinforce the most important responsibility we have here at Swansea Belmont that is to patrol our beach with quality rostered numbers during the season, and to ensure that it is a safe environment for all that visit so they get to go home to their families along with our voluntary members. The club management team would like to thank all our members that performed beach patrols this season & for continuing to uphold

the standards of the Aussie Surf Life Saver through some difficult conditions & busy periods on the beach. To our Patrol Captains, Vice-Captains, IRB crews and all water safety personnel I thank you for your dedicated service. Very special thanks to Dave Banks Director of Life Saving who is standing down from his position after 3 years due to work & family commitments, your dedication, direction and countless hours on the beach ensuring that our commitment to saving lives is professionally administered. Dave came back to help in a time of need for his 2nd stint & although you had no siblings in our club over the 3 years you certainly lead by example & can walk away knowing you have placed our patrol teams in a better position, especially for whoever steps up to take on the role. In Dave's words "you can never not have enough surveys & spreadsheets to get an answer". Another big thank you must go to the permanent & part time Lake Macquarie City Council Lifeguards who excelled & engaged alongside our Patrol teams again this season.

Patrol Person of Year – Brad Fox

Patrol Captain – Gav Gocher

Lifesaving Commitment – Andrew McCallum

Lifesaving Excellence – Adam Anderson

Our Education and Training team have done a wonderful job this season, putting many members through an enormous range of courses. This is an important pillar within our Surf Club and one that we must continually work at to maintain the quality of patrols we currently have and pride ourselves on. We had 86 new awards this season with 33% of these members receiving an award for the first time. Awards achieved by our members were 12 Surf Rescue, 28 new Bronze Medallion, 5 Trainers, 4 Silver Medallion & 37 First Aid.

I look forward to more members upskilling their qualifications next season. It goes without saying that the training & education that our members receive is responsible for the skills that they possess, this is a monumental but important task, so many thanks to our Chief Training Officers Cat & Karen plus all the trainers who assisted in educating our members. Without your dedication our core activity of lifesaving would be hard to achieve & I thank you all for your ongoing efforts.

Swansea Belmont	2006/07	2007/08	2008/09	2009/10	2010/11	2011/12	2012/13	2013/14	2014/15	2015/16	2016/17	2017/18	2018/19

Past Active	0	0	0	2	2	0	0	0	0	0	0	0	0
TOTAL	720	787	723	723	658	660	665	648	700	626	606	649	728
PATROLLING MEMBERSHIP	179	246	237	257	222	187	167	160	129	122	138	168	157

Our membership chart indicates a positive increase again this season with total membership up 12.2% (79) with majority of these being 49 new members in our Junior Activities, but unfortunately the Patrolling members are down 11 personnel on last year, so definitely need to arrest this slide back into a positive number.

Patrol Statistics 2018/19:

Rescues – 2

Preventative Actions – 52

First Aid – 4

Beach Closed – 0

Beach Attendances – 12,826 (State Titles numbers not recorded)

Patrol Hours – 5571.75

Patrol Members – 157 (15 Patrols)

Our Club Sponsors and supporters are an integral part of your club and have continued to provide that much needed financial support towards the ongoing operation of our facilities & services so please try to support them where possible. The club is indebted to our National, State & Hunter Partners that generously support Surf Life Saving – DHL, Westpac, Holden, Dulux, BRP, SLS NSW, Clubs NSW, Envirobank, Newcastle Permanent, Streets, McDonalds plus the many other sponsors that help our club financially survive to provide the vital rescue equipment that makes Blacksmiths Beach safe. Swansea Belmont SLSC is grateful to our local sponsors such as Lake Macquarie City Council, Dash (Lake Macquarie City Economic Development Company), Belmont 16's, Pelican RSL, Swansea RSL, Belmont GC, Kracka Surfcraft, Lion, Allpride Signs, Zarraffa's Belmont, GPT Strike Bowling Charlestown, McDonalds Swansea, Pelican RSL Sub Branch, Blacksmiths Quality Meats, Blacksmiths Home Hardware, Gurnyah Hotel, Swansea Surf Shop, Terry's Mobile Mechanics, Intellipower, Swansea Caravan Park, Blacksmiths Caravan Park, Woolworths Belmont & Swansea, All That Glitters.

Outside of the above generous support we also rely on Grants through the Federal Government Beach Safety Equipment Fund, NSW Government Facility Funding, SLS NSW Foundation, Hunter Branch Club Quality Program & LMCC Building Maintenance Fund.

The relationship with Lake Macquarie City Council has again been very productive & supportive over the past year on behalf of the club I would like to formally thank Mayor Kay Fraser who has been highly supportive in all our activities especially the NSW Championships. We are very fortunate to be represented by 2 members of Parliament in Yasmin Catley MP & Pat Conroy MP they have very busy schedules, but again supported the club when possible, they are great enthusiast of our club & the Surf Life Saving movement. Hunter Branch Executive your assistance & advice is always welcomed.

Our Junior Activities group continues to flourish and is playing an enormous role in the future development of our club. I congratulate Matt Rees & his excellent team for the dedicated work they have performed this season in continuing to provide fun activities that teach our kids surf skills, surf safety & team work. We have an incredible group of mums and dads who act as Age Managers, Water Safety plus IRB Drivers, IRB Crew & Officials throughout the season we could not deliver our Junior Activities program without their support "thank you for your efforts", not always easy, but very rewarding. Lastly to the Nipper kids, thanks for turning up, having a go wearing the GREEN & GOLD of Swansea Belmont with such pride. Our solid results in attracting new members, retention & encouraging our Nippers to continue into the Youth section has been sensational, hence with a top 10 finish again at the NSW Championships.

Creating great nippers & future lifesavers is our motto.

Congratulations to all our Club Award winners who were highlighted recently at our Presentation Evening in front of your peers & sponsors. Another fantastic

night of cellarbrations was had by all members & guest. What has impressed me again during this past season has been the overall support of all members continuing to rebuild our club identity for a positive future.

Major Club Award Recipients:

Cadet of Year – Zali Burge

Junior of Year – Kye Taylor

Club Person of Year – Matt Chalmers

Over the season, as well as providing an IRB for every patrol, we successfully ensured our carnivals, key events went ahead & ran smoothly. I want to take this opportunity again to thank our IRB team for their continued efforts this year under our rookie Captain Andrew McCallum thanks for your tireless hours of work ensuring the ducks were maintained & ready for action.

Competition in our club continues to flourish over the many associated disciplines. It is important that our club promotes all the different competition categories to our membership and I congratulate those who wore the mighty Green & Gold cap. To our Sectional Coaches & Surf Sports Director Jeff Mowbray, I must congratulate them on their leadership & outstanding work ethic over the season, this is a testament to their dedication and commitment helping the club competitors continued success in the Surf Sports arena. It was great to see u15 Female R&R team finish with a Silver medal at State along with our young gun U19 Boat crew training hard to compete this season with some success in all competition. To those competitors that went on to represent at higher levels with Hunter Branch team, NSW Pathways Youth Cup team & Kye Taylor just announced in the Australian Youth team squad, Ashby Allen Australian Kyack team plus the clubs State & Australian medallist well done!

Congratulations to our latest Green Jacket Australian Champions:

Kurt Murphy, Eli Worell, Beau McGregor
– U15 Board Relay

Josh Murphy, Nick Stoddart, Kye Taylor
– U17 Board Relay

Matt Rees – 45-49 Male Ski

Nathan Croal, Ryan Cook, Matt Rees
– 110Yr Ski Relay

Three down one to go to complete our State Championships hosting agreement on Blacksmiths Beach with nothing but praise from SLSNSW & other clubs again for the magnificent showcase provided by our Workforce & Organising Committee. When

you take on hosting the championships you require a combined club effort with all members & local community getting their hands dirty & giving up their time to pitch in & make it happen – so thank you to the best workforce in Australia!

It has been a long year of meetings with State & Lake Macquarie City Council consultation to continue our goal of creating a new improved venue with Stage 2 currently under construction on the northern beachfront clubhouse & upgrade to downstairs male & female changerooms over winter. Ultimately, we aim to create a wonderful refurbished venue over the next couple of years in stages for our members & the community to get the full experience of what our movement & particularly our club stands for. In keeping transparency for the members below is an outline of where we are at including costs.

On Tuesday 30 April 2019 the executive of Swansea Belmont SLSC unanimously endorsed a Master Plan for the following building works to commence at the club under the guidance of Project Manager Matt Chalmers:

Recently the Club received a Government Grant \$250K, special thanks to Terry Watts & Matt Chalmers for the submission.

- 1. Webber Architects** to complete the major Surf Club Renovation Concept Design & Development Application Documentation & Complete the final detailed design of the New Bar.
Total quoted price \$32,225 excluding GST
 - 2. Deck and Ground Floor Addition**
Gary Simpson building estimate to extend the deck, relocating of the external stairs, ground floor additions and associated works extension of the Gym eastern wall.
Total estimated price \$172,000 excluding GST.
 - 3. Ground Floor Male and Female Upgrades**
– Separate Grant being applied for!
As per detailed estimate for the ground floor male and female bathroom upgrades.
Total estimated price \$110,008 excluding GST.
 - 4. Nipper Room and BBQ Facility**
Estimate conveyed **\$150,000** excluding GST.
- TOTAL Building Works approved = \$465,000* excluding GST**

Many of our plans from the Building Committee are still on the waiting list to be started due to Council approval & grants but below is where we are currently at:

- Commencement of work in 2020 to new Kiosk under DA approval.
- LMCC to construct a Disabled Viewing Platform in front of Clubhouse.
- New DA Plans (per above endorsed plans) have been lodged to complete major renovations to the Internal & External building which include a new entrance into the club on southern side, external facade modifications, 3-way bar area to service all function areas upstairs, new entry to downstairs bar, new stairs & entry to back upstairs meeting/function room - 2020, new external stairs to back deck area, improved toilet facilities – 2019.

Our club continues to be in a healthy position financially and I thank Dave Pringle, Katrina Pastourmoglou & Neil Marshall for their watchful eye over the finances. All the arduous work by members over State Titles, Sunday Bar Sessions, Functions & Fundraising events build up the funds, so the club management team & sub committees can plan to refurbish club furniture, equipment plus the major renovations to ensure your club is modern & a destination that the community want to hold a function within.

Our Social Committee keep raising the bar providing quality entertainment each Sunday over the summer months & have been well supported by our local community & members. In November the club held our inaugural Melbourne Cup luncheon that proved to be a successful event with the Auditorium filled with 110 attendees enjoying the racing, fashion show from local business Harlow St & live entertainment into the evening. Our club season launch will be opened on 26th October featuring "All Access 80" & Lisa Hunt in December, these are our major music fundraisers that require members to support. Our golf enthusiast will once again attack the Belmont Golf Course in October without much success due to the constant verbal barrage & loose ball striking generally caused by the social beers, another event that raises plenty of money thanks to Chad Griffith & crew. More help is required in organising our club functions & events. Please don't leave it up to the same people, put your hand up & lighten the load thanks.

We have had to face sadness again during the season with the loss of our members – Peter McGregor, Chris Robinson, Jim Aspley & Robert "Babe" Heaney. Any club with a reasonably long history only reaches the heights that it does by standing on the shoulders of great men & women who have come before.

It was a challenging year for me personally but one that has also helped me grow a lot as a leader & learn a lot as a club mate and human being, I must thank my wife Mel for her enduring support & patience along with the guidance Chad has provided dealing with some difficult issues. To the Club Board & Management team I value all your efforts and time spent in developing the club. I am super proud of our club & have only ever intended to help it outgrow some age-old problems with a vision & passion big enough to get over the roadblocks that have always stumped those before us.

To all members thank you for your support over the season of 2018/19.

Graham Burge
President

Deputy President Report

Deputy President Chad Griffith

The Club continues to thrive in all areas due to the amazing leadership and club spirit that continues to be developed. Congratulations to all of our members for a successful season.

To all of our club members who continue to put their hands up to support the club as a volunteer at the NSW Championships, we cannot do it without your support. To Alicia Nash and Rebecca Prince for their drive to represent LMCC at the NSW State Championships and make life easy for the club to coordinate a successful championships, thank you.

Surf Clubs rely on corporate partnerships, community grants and donations to ensure that we continue to save lives between the flags whilst supporting the endeavours of our members. Thank you to all of our partners Lion, Belmont 16 Footers, Pelican RSL, Kracka Surf Craft, Intellipower, Swansea Surf Shop, Terry's Mobile Mechanics, Allpride Signs, Eskimo, Dantia and Lake Macquarie City Council.

The club continues to be supported through Club NSW. Thank you to Clubs NSW for the grant contributions offered to purchase vital lifesaving equipment (IRB and motor), namely, Belmont 16 Footers and Pelican RSL.

This year social fundraising activities have been enhanced and I would like to congratulate the members who donated their time to coordinate the Music on the Deck each Sunday through Summer,

our Annual Golf Day, Kracka Iron person and the Christmas raffles.

A community grant from State Member Yasmin Caitley for a grant of \$33,000 for the upgrade of our upstairs amenities to comply to the Australian disability standards. We appreciate the ongoing support and commitment you show to surf lifesaving in your electorate.

Thank you to Lake Macquarie City Council for their continued support of the club through an annual donation of \$12,000 for surf club maintenance.

To the executive committee that keeps on giving, without your personal commitment/extra full time employment without the pay, our club wouldn't be where it is today. The club has developed a strong culture and identity and one I am proud to associate with. Let's continue to grow and I look forward to the building committee plans lead by Matt Chalmers that will ensure we remain the premier club in NSW.

Chad Griffith
Deputy President

Swansea Belmont SLSC

– 2018/19 Financial Report

The two following pages set out the financial performance of Swansea Belmont SLSC for the year ended 30 April 2019 and the financial position as at 30 April 2018.

These pages were prepared prior the finalisation of the annual audit but are unlikely to change in any material way.

Operating Results

The year was financially another very good year for the club, reporting an Operating Profit Before Depreciation of \$265,501. The major factors in this result were:

- Grant Receipts of \$111,199
- Net Income from holding the NSW State Titles of \$98,937
- Net Bar and Functions Income of \$64,691

There were also a number of other significant areas of income shown in the attachments all of which contributed to the successful outcome. Most of this income is the result of the continued and consistent efforts of members and supporters.

Total Operating Expenses for the year totalled \$184,113 of which \$101,693 was spent on Lifesaving and Competition activities. The balance comprised the payment of utilities and maintenance of facilities (\$54,810) and general administration activities (27,610).

Capital Expenditure

Much of \$111,199 of grant income received during the year was in relation to capital works involving clubhouse renovations. The club spent a total of \$153,840 on capital works during the year, most of which involved those renovations.

Financial Position

At the end of the year the club had Net Assets of \$3,000,000. Of this amount, \$760,775 was held in financial assets and the balance is largely the holding value of the clubhouse and facilities. The club is in a strong financial position to fund further clubhouse upgrading planned to commence in 2019/20.

Life members keep on giving

Our team [front row] life members Barry Freeman, John Halpin, Norm Turney, Jim Purcell, and [back row] mature members Jim Boyes, Warren Harrison, Paul Kane, Warren Davies, Noel Pezeley, Peter Johnstone, Ron Wilson [absent].

We provide regular cleaning and rubbish removal services at the Blacksmiths breakwall for the New South Wales Crown Land Department. This has provided our club with funds to support our core activity of Surf Life Saving at Blacksmiths Beach.

Funds received in connection with this work total in excess of \$80,000, and have been a worthwhile effort by our team.

Our uniformed presence on the breakwall helps demonstrate clearly to the public who use the wall that our club has a high community responsibility and takes our social ethic seriously.

Warren Harrison
Team Leader

Secretary's Report

Secretary Katrina Pastourmoglou

The Directors have worked tirelessly this season with so much dedication and passion for our Club. So a huge thank you for your support this season and lets all work together for an even better 2019/2020 season.

Thanks,
Katrina Pastourmoglou
Secretary.

Our 2018/2019 annual report is a reflection on the season past and how all our hard work has paid off. I would personally like to thank our surf lifesaving family and our community supporters for all their hard work this season. Together, we have achieved so much this season. Again, thank you. We have successfully hosted another surf lifesaving title and were successful in gaining many grants that have allowed the Club to update our facilities . Swansea Belmont continues to lead the way across the Hunter with our education teams, patrolling hours, nippers, surf sports competitors and community programs. All of which could not be done without our team of dedicated volunteers. Without the vast number of hours that our trainers, assessors, patrolling members, water safety, team managers, carnival officials and volunteers give up each week, this club would not be able to maintain the level of success that we do. So, thank you to each and every member who has given up their time this season to help out.

We have cooked many BBQ's, served lots of cold beers and we have worked hard, together, to make it such a successful year.

Registrar's Report

Registrar Sheree Murphy

We have a total of 728 members this season, an increase from the 667 last season.

292 of these members were juniors U/6 – U/14. We have 66 members in the u-15- U21 category, with the rest of the memberships being made up in the active patrolling members, associates, honorary members & life members.

A BIG THANK YOU to all the members who paid their fees early in the season. There was an additional fee in place this season for gym use – I am sure that notification will go out to those involved as to what is happening with your gym keys for next season.

Working with children numbers are still in force this year with every member over 18 to have a working with children check. These checks last 5 yrs.

The Senior competitive fee for the 2019-2020 season will increase to \$200. This is the only fee rise for the coming season.

Sheree Murphy
Registrar

Swansea Belmont Fees

Swansea Belmont SLSC 2019/2020

Membership Fees

Active Patrolling Membership	\$60.00
Active Competitor Membership	\$200.00
Active Reserve Membership	\$60.00
Long Service Membership	\$60.00
Active Reserve/Long Service Competitor Membership	\$200.00
Associate Membership	\$60.00
Award Membership	\$250.00

Junior Membership Fees

One child	\$100.00
Two children	\$190.00
3+ children	\$270.00
1 Adult & 3+ children	\$270.00
Junior Competition Levy U/9-U/14 Per Child must be paid with membership fees	\$60.00

Levy includes 4x Local Branch and 1 state Carnival Fee

u6 u7 receives a club colored skull cap when joining

One parent is expected to join as an associate member or full active member to participate in Surf Life Saving activities as per the guidelines of our governing body Surf Life Saving Australia

Director of Lifesaving Report

Director of Lifesaving David Banks

I continue to be humbled by the contributions of so few to support so many when it comes to protecting our swimming public, supporting and upholding the values of our club and the historical name of Surf Life Saving in Australia.

We have maintained a presence on the beach at every major SLS event in our area and supported not only our patrols, but broadened our scope to assist other water based events in our region, which is recognition of the value we provide to our beach going public and competitors alike.

This season we had our fair share of windy wet days, however the lingering summer feeling continued to the end with patrols enjoying warm weather to see the season out.

Patrol stats.

I talk about the numbers, they provide us with some indicators and trends on our performance and the direction we are heading, however more importantly they tell us about the people who put in the hard work to achieve not only the results but to achieve the reason we are here.

Category	2017	2018	Trend
Total Patrol Hours Achieved	5818	5557	Down 5%
Rostered achieved	4470	4047	Down 10%
No Show	1462	2181	Up 49%
Voluntary (on Patrol only)	555	639	Up 15%
No of rostered members	147	147	Stable

This year we saw introduction of Australia Day volunteer patrol, this combined with a well supported Christmas Day patrol and the State Carnival patrols saw our voluntary hours increase, which also indicates the depth of support in the club for dedication to Life Saving.

The alarming change is the increase in NO SHOW events across our patrolling season. There are many potential reasons behind the change, I am sure if you ask 10 different people you will receive 10 different answers. Our commitment is to find ways to better engage members on flexible working routines, align patrols to better meet the demands of an increasing competition season across all disciplines and encourage our members to seek substitutes and give back when available for alternate patrols.

This season we increased our number of all-day patrols with a small number of patrols trialing the all-day format for the second half of the season. The feedback from these patrols has been favorable to the point the post season feedback has been to continue the all-day rostering and it was fun, enjoyable, improved team bonding and provided Patrol Captains with flexibility when managing patrol numbers across the day allowing members to attend when available, whilst maintaining our Service Agreement.

In reviewing our membership levels in support of patrols, it is evident we need to work towards recruiting and encouraging more members to support

our teams. Of the 409 members of patrolling age (and some beyond) we have 147 members actively patrolling. In contrast we have 210 associates, who also contribute to the club in many ways, who could also consider patrols as part of their service to the community.

Please consider the fact that you can participate in patrols and patrol activities as an award member, providing valuable skills and knowledge to the general public, which may inspire you to take up your bronze qualification as you gain skills and knowledge and enjoy the comradery of patrol.

It's no secret we are challenged by the busy lives of, those of our families and the demand from our employers. The current patrol roster cannot survive in its current form, the break between patrols is generally too short, some teams are spread way too thin and the required skill base to allocate more patrols with less numbers is not sufficient to simply make more patrols. This season we continued to develop potential leaders in some of the larger patrols to the stage we can now start moving members onto their own new patrols and create new friendships and broaden the skill base of our patrols, this should also include strengthening of other patrols that have suffered a reduction in members over the season.

The post season patrol survey has received 69 individual responses at the time of writing, thank you to all who responded. We also received responses from members who will be new to the club patrol roster next season, so a big welcome to you as well. The results are:

60 – Yes I will be patrolling next season

5 – No I will not be patrolling next season

4 – Please ask me again, as I am still interested

A great head start for planning next season

Our club still remains at the leading edge of training equipment technology and delivery of education in Surf skills and knowledge. I encourage all members to promote the benefits of being an active member in the surf life saving movement, the skills, knowledge and leadership gained in the service of our community bode well on any resume to a potential employer.

The patrol van escaped an upgrade again this season, however Charmo has graciously accepted the task of reviewing the concept drawings to provide us with some more ideas and plans to engage a fabricator. With a well equipped van, all day to soak in the beach

life and your friends on patrol, why not be on patrol and enjoy the very best our country has to offer. Yes, of course the refurbished van will have a BBQ.

To finish up, in comparison to the great history of this club and the lifetime of contribution of our long serving members I am but only a nipper with aspirations of serving like those before me. It has been a great season, our patrolling members have supported our beach going public with vigilance and dedication. May I see all of you on the sand again next season.

David Banks

Director of Lifesaving

Directors of Education's Report

Directors of Education Cat Gocher & Karen Lucas

Thank you to all our fabulous members who stepped up to train in new awards for the 2018/2019 season. There were 86 new awards this season and interestingly 33% of these members were receiving surf life-saving awards for the very first time. 4 of these Swansea Belmont members are not competing and simply trained for their Bronze Medallion so they can volunteer as patrolling lifesavers and parent helpers at Nippers.

This season the education team has been using the e-online learning tool that was implemented last season and it again has proved a valuable resource. We can bundle candidates into participant groups and monitor their online training. This then cements their skills by continuing their learning experience back at the club for their face-to-face and practical sessions. Of course, with each group of candidates, experience in surf life saving and many other factors play an important part in the training mix.

UAV OPERATORS

The Unmanned Aerial Vehicle (UAV) will provide an extra set of eyes for greater coverage of dangers along the coast and a faster response to incidents at key blackspot locations.

Fitted with alerting devices and the ability to drop an inflatable rescue pod to distressed swimmers, the drones have become a vital part of the arsenal of surf lifesavers this season.

Brad Fox
Shane Dowsett

Congratulations to all,
on your commitment to Surf Life-Saving and the
Swansea Belmont Surf Life Saving Club

Cat Gocher & Karen Lucas
Directors of Education

Director of Surf Sports Report

Director of Surf Sports Jeff Mowbray

The 2018/19 season in Surf Sports has been one of our best for many years. The number of competitors has increased along with the expansion of events we now enter. This can only happen through devoted competitors, coaches, mums, dads and the Swansea/Belmont Committee.

For competitors to compete they need awards. Thanks Cat and Karen and your dedicated trainers. The patrolling hours have to be done as part of the competition rules. Thank you Banksie and your patrol Captains for keeping on top of that. For all those competitors who helped out raising money through raffles thanks, you raised just over \$4000 which went straight back into competition.

The Coaches: Tim, Cookie, Burgo, Matt, Nat, Trevor, Angela, Rabbies, Ronnie, Perry, Rego, Archie, Wattsie, Coatsie, Mecca and Rose your time is so valuable, not only are you great coaches you are also great mentors.

To Leanne and Norm thank you for running the Club Champs and Leanne for the many hours you put in behind the scenes making sure everyone is entered in carnivals and their qualifications are all up to date.

Katrina thanks for always being on top of everything and the 6+ calls a day.

The State Titles at Blacksmiths was another great success. Thank you to the workforce and sponsors. The Club did really well with some great performances from Juniors, Opens and Masters. Congratulations to all those who competed and achieved personal goals, finals or won medals at Branch, State or Aussies.

At Aussies, Swansea-Belmont performed extremely well with many competitors making finals and winning medals. This year we had a few more masters competing, which is encouraging.

Congratulations to our Aussie medal winners:

Gold

Beau , Kurt and Eli - U15 Board Relay

Josh, Nick and Kye - U17 Board Relay

Cookie, Matt and Nathan - 110/yrs Ski Relay

Matt Rees - 45/49 yrs Ski

Silver

Josh, Nick and Kye - U17 Taplin

Ryan Cook - 40/44 Iron Man

Burgo, Chad and Cookie - 130yrs Board Relay

Bronze

Saxon and Nick - U17 Board Rescue

Chad Griffith - 40/44 Board

Graham Burge - 50/54 Board

Kye Taylor - U17 Swim

Congratulation also to:

Ashby, Ben, Josh and Matt for making the Australian Ocean Ski racing Team;

Ashby for Making the U16 Kayak Australian Team;

Dan Chisholm for making the NSW Youth Pathway Team; and

Kye Taylor for making the SLS Australian Youth Team.

To the workers behind the scenes Brad Fox , Dean Connelly for towing all the gear around, Terry Pasta for keeping it all road worthy and Murph for looking after it all.

To all the Directors and management committees thanks for all your time and effort to make this possible.

Some Competitors win medals some make finals some make teams Club/Branch/State or Aussies and some win personal goals.

Keep up all your efforts and time, and one day your goal will be reached but the most important part is smile have fun and be a good champion. You must take the good with the not so good.

See you all and more for the 2019/20 Season.

Director of Junior Activities Matt Rees

Sunday Nippers

Under 6's, 7's and 8's has seen many parents volunteering to help along with some old names as Age Supervisors coming back through the club to help our future surf life savers. These people with their exceptional surf skills will continue educating these young ages. Many of our teenage members (under 15's & 17's) have also helped with their surf skills by assisting kids who are hesitant or afraid of the water, reassuring them, teaching them and providing them with confidence to get out in the water.

Congratulations and thanks to all our helpers. Once again, our BBQ team this year has seen members Clair & Troy Snowden, Ron Wilson volunteer endless hours to ensure everyone on a Sunday enjoys a BBQ. Clair & Troy are stepping down this year after a number of years of hard work on the BBQ and we thank them for all their time and effort. Brooke & Steve Mogford have been game enough to put their hand up to take on this role and I hope that everyone gives them the support they need as there is a lot of work involved. Sunday nippers wouldn't be a traditional day at the club without a great BBQ. This BBQ is also a fantastic fundraiser for our club.

Competition Nippers

Once again, the club had an enormous amount of success at the NSW State Age Championships and we continued to climb up the overall pointscore finishing in a very credible 4th place. I still say that given we had a number of certainties in the last couple of finals of the carnival that were cancelled, if those races were held I'm confident we would have gone top 3 in the pointscore. Congratulations to all the kids whose hard training throughout the year was rewarded by meeting their goals at the State Titles.

Surf Education

I like to thank the Surf Education crew of Cat & Karen who put in a lot of work to get our U14's and some U13's ready for patrols by getting them through their SRC's.

Training

A big thanks to all the official and unofficial coaches. The reason we are so successful is that even though we have these official coaches there are always a number of other people who will step up to run sessions and assist the coaches on the water with training the kids and it is this support that gets our squads to the next level. Thanks to all the mums and dads who help with water safety every session.

Kracka Ironperson Event

It was another successful year for the Kracka with numbers up on the previous year. As one of the club's biggest fundraiser activities we are fortunate to have generous sponsors. A massive thank you to Wayne & Nicole Stoddart at Kracka Surfcraft for their continued support of the event and to Swansea Surf Shop, BodyScience Australia, Montgomery Homes, Home Ice Cream and more.

The ongoing help of many parents and volunteers for Officiating, Water Safety, Duck crews, BBQ Rosters, Age Managers, Administration, coaches are what make our club successful.

Thank you to everyone and I hope you will all be back next year.

Thanks

Matt Rees

Director of Junior Activities

IRB Captain's Report

IRB Captain Andrew McCallum

The 2018/19 season has been another successful season for the club's IRB area.

The following equipment changes occurred during the season.

1 new Achilles hull purchased and arrived due to a benefactor, additionally the Mercury motor which arrived last season has been run-in and is fully operational.

A fully equipped IRB was available for every patrol and nipper day. We also provided boats and crew for the Kracka Carnival and Lake Macquarie Games, as well as the Hunter Branch 100 year raising of the flags and the Marine Rescue open day and sail past.

The IRB area was also involved in one after-hours emergency call out.

I was encouraged to see the IRB's used regularly by patrols. Remember that the IRBs are part of your patrol equipment and are on the beach to be used. The best way to gain confidence and improve your skills is to get the boat on the water.

To everyone who has helped in the shed and as drivers and crewies for our various commitments, and to Troy, Brett and Postie in particular, I'd like to express my sincere gratitude and admiration for the assistance that you've all provided this season. I've enjoyed my first season as IRB captain which has only been possible through your support.

Unfortunately, timing and weather have been against us this season and we have failed to complete an IRB Drivers and an IRB Crewpersons course, I apologise to those keen members who we have let down in this regard. I am looking to rectify this and bolster the number of available drivers and crews next season.

In closing, I would like to invite all active bronze members to gain their Drivers and Crewpersons Awards and join us on the water. These awards are enjoyable to get and highly valued by the club. If you are interested in gaining these awards please make contact with the Education Team, Club Captain or the IRB Captain.

Andrew McCallum
IRB Captain

First Aid Report

First Aid Officer Ron Liddell

A much busier year for our patrols in regard to first aid needed for the public plus a few of our own members. Nothing huge but plenty of small wounds to take care of and the patrols did a great job in caring for the public and a few of our own members. Bluebottles were more prevalent this season especially with young children who came to the beach expecting a great time but had their "day out" spoiled by nasty stings. Our patrol members did a great job with the "little ones" providing first aid and support that helped with these upset toddlers. We did have several cases where those trained with First Aid certificates, Defibrillator and Advanced Resuscitation Techniques showed the need we have for members to do that extra training. These patrol members are so valuable to their patrols and to the Club in general.

If you are interested in doing any "higher" awards please let our training Ladies know so they can organise courses. Cat and Karen and previous Chief Instructors have offered these courses but have not had volunteers for the awards. Think about doing these awards. It could help your patrol, your work "mates" and your family. Perhaps, even more money in your pay. Most employers love having employees who have those extra first aid qualifications.

Our Director of Lifesaving has continued to update out First Aid equipment. We have extra first aid kits as well as a third defibrillator. One is placed in the auditorium.

DO you know HOW to use it? Check out the equipment next time you are on patrol. Know what is in the kits as it makes it easier when treating a patient. The kits are now more specific for surf life saving needs but you may think there is a need for other items that would be handy so please let me know. If you notice things missing, preferably when stocks are just running low rather than gone, please let me know so these items can be replaced.

Ron Liddell

First Aid Officer.

Social Secretary's Report

Social Secretary Mel Burge

Thanks to all who have supported our Sunday entertainment. We have raised much needed funds over the bar on our Sunday afternoons. Families have enjoyed the smooth sounds of Nick Saxon, rocked out with Reggie Sinclair & sing along to popular Johnny Larder. The amazing talented Crocq and gorgeous Kylie Jane are just to name a few of the soloists who have enjoyed performing for our members and guests whilst soaking in the best view. Locals, friends and families have embraced our club with many of our regular Sunday afternoon locals stepping up and joining the club as members and even volunteering at State Titles which is wonderful. Melbourne Cup was a success and a sell-out. Our club looked amazing and it was such a fun day. This year we have All-Access 80's - Rock Tribute as our major fundraiser as well as waiting to lock down a date for Lisa Hunt.

We have decided to hold Melbourne Cup Luncheon again this year - due to popular demand - more details will follow via social media and email. We can't thank our members enough, who lend a hand at these functions. These fundraiser days would not go ahead successfully without the constant support and help you give. We will be posting out upcoming dates and entertainment on our social media pages, and email. Please share the love and spread the word to family/friends and the community to support our club and help raise money at these gigs. We have a jam-packed

Spring/Summer 2019 coming up with all our faves. Everyone is welcome. We are very family friendly on Sunday afternoons.

Mel Burge
Social Secretary

Boat Captain Report

Boat Captain David Regan

Welcome everyone to the 2018-19 season Boaties wrap!

Well where do I start. I'm glad to announce that the Boat Section is well & truly back in business at our great club.

This season saw the emergence of a U19's Male crew in our ranks. The crew consisted of four novice rower's namely:

Stroke: Myles Geddes
2nd Str: Drew Barnes
2nd Bow: Jye Pastourmoglou
Bow Sam Law
Sweep: David Regan

As novice rowers, these guys progressed quite rapidly, through a solid work ethic & dedication to training both in the gym & the boat. For a 1st year crew we achieved a "mixed bag" of result at the major carnivals & local series that we attended.

Also the guys contributed back to the club thru outstanding Patrol attendance & helping with State Title duties after we had finished competing in our event.

I believe this crew has outstanding potential, they know the work that's got to be done. If they are to fulfil their potential & develop into a crew that will do our Club proud in the seasons to come.

Yours in Oars,
B.C. David Regan

2019 Ski Section Report

Ski Captain Tim Allen

Year 3 of our 5 year plan and I am pleased to look back at our goals laid out in the 2018 sectional report to see that its' all on track and then some.

"The sectional goal being a NSW medal in any of these team events." ✓

The tick came courtesy of a Bronze in the U17 Ski Relay by **Josh Murphy, Ben Rees** and **Bailey Connelly** and the U19 Male Double Ski by **Ethan Coates** and **Josh Murphy**.

The ski paddlers also contributed to all State Taplin Results with wins in the U17 Male and 6th in the Open Male Taplin with our U17 and U19 paddlers stepping up to fill the Open spots.

We also reached the final of every event that a ski paddler was entered which was very pleasing and just to overachieve for the year, **Josh Murphy** grabbed a silver in the U17 male single ski.

It was obvious our 2019 Aussies goals had to be

reassessed and headed North with some genuine medal chances.

Once again our paddlers contributed in the Taplin Teams with the U17 Males finishing 2nd and an U17 paddler stepping up into the U19's for a 5th in what was a massive surf for a first year U17 ski paddler.

Just like at the NSW Titles, Swansea Belmont Paddlers were in every final we had a ski paddler compete in both single and teams events which is exceptional from such a young group of males and females in tricky conditions.

Our support sports of Kayaking and Ocean Paddling which is soon to be added to the Australian Surf Lifesaving program grabbed plenty of attention through the year with four of our Ocean Ski paddlers earning the right to represent Australia in France for the World Championships come September this year.

Wishing good paddling to **Josh Murphy, Ben Rees** and **Matt Rees**. **Ashby Allen** was also

selected however had to withdraw because of other commitments. Those other commitments for **Ashby** were a gig in the Australian Junior Sprint Kayak team for a trip to New Zealand for the Asia Pacific Cup where he came home with a bit of bling for the wall (2 x golds, 2 silvers). Come this September, he will be following the boys racing in Quiberon (France) from the Paddle Australia Sprint Kayak Training camp in Hungary before heading to Slovakia to represent Australia for the Olympic Hopes Regatta in Slovakia.

2019 Male Paddler of the year went to **Josh Murphy**, while the 2019 Female Paddler of the year went to **Eliza Johnson**.

While 2019 was a good year on many fronts, more importantly it set up 2020 to be even better due to our numbers increasing to allow us to field Male and Female teams in all U19 and U17 ski events and have paddlers competitive enough to step up to Open Taplin teams if required.

Special thanks this year goes to our Masters Paddlers of **Matt Rees, Matt Chalmers** and **Paul Stone** who were the inspiration of so many of our sessions with their paddling speed and banter which enabled our young paddlers to really appreciate the occasional victory they got over them.

I would like to think that my Facebook posts throughout the year excited a few people to the opportunities that paddling provides and may give you the motivation to come and give it a go. For the youth, there is travel, prizemoney and representative opportunities and for the older member a chance to relax and get that water fix dancing with wind and waves and travel to some of the most beautiful places

in the world for races as a bonus.

Swansea Belmont will once again host the Moon Island Classic (Ocean Ski Race) as part of the Australian Ocean Racing Series on the last weekend in October for anyone looking for a 2019 paddle goal or somewhere to contribute a bit of Business naming exposure by way of small or large assistance in this club fundraiser.

YES, WE ARE LOOKING FOR SPONSORSHIP THIS YEAR to help us remain as host in what is proving to be a very high growth sport. If you would like a bit of Business Name exposure or would just like to help out let me know.

The ski section is full of souls willing to introduce people to the sport and then provide a squad of like ability paddlers to progress to just being able to sit and enjoy paddling in a group or to progress to race offshore if that's your go.

Unfortunately this year we have had to drop the group Gym Strength and Movement sessions due the popularity of last years' sessions where numbers just grew too high that efficient sessions were difficult. However, this year we aim to provide personalised paddle specific programmes for people to include at times that suit them and where the gym is not over populated.

If I can help you out with programmes, one on one sessions, equipment or anything else that helps you get into the sport of paddling just let me know.

Tim Allen
Ski Captain

Board Captain's Report

Board Captain Ryan Cook

The 2018/2019 Surf season has been a successful one with the Board squad achieving exceptional results throughout the entire season and at NSW and Australian titles.

The squad put in another hard seasons training with Myself, Graham Burge and Tim Allen which saw them gain the rewards at the major events.

This year, I think more than ever saw our board paddlers dominate in all board events in the U15, U17 and U19 age groups at the major carnivals and continued through to the NSW and Australian titles. We now have a wealth of Talent and depth in these age groups which is great for the future of our club.

The NSW Titles held at our home beach saw the Board Section win 4 Gold, 2 Silver and 2 Bronze medals.

1st U17 Male Board Race - Nick Stoddart

1st U17 Male Board Relay - Nick Stoddart, Kye Taylor, Josh Murphy

1st U19 Male Board Relay - Kye Taylor, Kyle Lehmann, Ethan Coates

1st U17 Male Board Rescue - Nick Stoddart, Saxon Coates

2nd U15 Male Board Relay - Kurt Murphy, Beau McGregor, Dan Chisholm

2nd U15 Male Board Race - Kurt Murphy

3rd U17 Male Board Race - Kye Taylor

3rd U17 Female Board Rescue - Eliza Johnson, Mae Fletcher

Fantastic results achieved all round. Also worth a mention was Josh Murphy who was 4th in The U17 Board race making it 1st, 3rd and 4th for the boys.

We were fortunate enough to have 3 board relay teams in the U17 Male Board relay final at state finishing 1st, 4th and 8th. A great effort and again highlighting their depth.

A standout for me was the boys winning the U19 Board relay which saw Kye Taylor and Kyle Lehmann compete up and age group to join Ethan Coates. This was a great effort for these young competitors at the top level and a brilliant paddle by Ethan in the last leg to go in the water 4th and come out in front in what was an exciting race.

It was then North to the Gold Coast for the Australian Titles where the board section excelled again in some challenging conditions winning 2 Australian Gold medals and 1 Bronze medal.

1st U15 Male Board Relay - Kurt Murphy, Beau McGregor, Eli Worell 1st U17 Male Board Relay - Nick Stoddart, Kye Taylor, Josh Murphy 3rd U17 Male Board Rescue - Nick Stoddart, Saxon Coates

Great to see the boys winning the 2 x Board Relay Titles a phenomenal effort and great paddles by them all, Unreal to watch. Also Sax and Nick having a great race in the board rescue flying home to grab the bronze, well done.

We also had some other stand out performances at Aussies with Kye Taylor 4th and Kyle Lehman 5th in the U17 Board Race in a mad scramble to the finish just missing out on a medal. We also had Nick in the final which was again a great achievement to have 3 competitors in the final, and at certain stages in the race they all deserved a medal and were right in it. Great work guys.

We had 2 board relay teams in the U17 board relay final with the Superstar C team making the final and right there in the mix. Well done boys.

Beau McGregor was 5th in the U15 Board Race with a fantastic paddle and on the wave for 2nd but got narrowly out run to the finish by some 6ft U15 monsters. Great work mate.

Our U19 Board relay was 7th in the final with Kye and Kyle again competing up and age group to join Ethan in a great race in challenging surf. Again a big effort to race up age groups from the younger boys and for most of the race were right in there to win a medal. Well done boys an excellent achievement all round and great team spirit.

At our presentation night in May, Kurt Murphy was the recipient of The Board Encouragement Award for his

continual effort an approach at training and towards his racing. Kurt achieved great results throughout the year due to this attitude and his fierce determination. It was fantastic to see him come away from State with his first individual board medal. He also made the U15 Board Race final at Aussies and was unlucky, but turned it around to get a win in the Board Relay with the boys. Congratulations on a great year mate.

The Aaron Blatchford Memorial Trophy for Board Paddler Of The Year went to Nick Stoddart who again achieved great results all season and led from the front with his effort and attitude to training and racing. It was a great to see Nick win the U17 Board Race at State this year and a big effort in his first year in the age group and one of 4 State Gold medals for him this season. Nick also featured in the U17 Board final at Aussies and was right in it until Broadbeach unleashed it's fury on him. But like Kurt turned it around and won Gold with the Boys in the U17 Board Relay. This is now 3 Aussie's in a row where Nick has come away with An Australian Title under his belt. Congratulations and keep up the great work.

So that's it from me for the year, a great effort from the entire squad all season. We are all so proud of you guys and it is a pleasure to be involved with you all. See you on the beach soon.

Ryan Cook
Board Captain

Sports Coordinator's Report

Sports Coordinator Norm Turney

I have put a lot of thought over the past few months. It is time to step aside for someone younger and with new ideas.

"OK" that said congratulations to all our competitors over the past season re local, Sydney state Australian Championships Surf Carnivals. Also to all coaches, managers and parents well done.

To all our Patrol Members well done everyone.

Last but not least, thank you for water safety at our three rounds of club championships. Jeff Mowbray, Tim Allen also for getting out the course for swim, board and ski events. Leanne Jonson and her helpers for recording all finishes and placings at the finish line "thank you Leanne".
